

## Welcome to the Western Monroe Historical Society Fund Raiser !

A handful of dedicated people organized the Western Monroe Historical Society in 1965. The Morgan-Manning House became its headquarters. The Society's main purpose is to preserve the House and the historical and cultural heritage of this community. Today the society has grown to over 400 members!

The Society sponsors a variety of programs and activities for the community such as:

- The old-fashioned Fourth of July Celebration
- The Peddler's Market in September
- The Candlelight Christmas Sale for high-quality Christmas decorations and gifts.
- Christmas Open House for members
- Monthly programs of local history and other interests

The Society takes great pride in cooperating with area schools to help enrich their local history curriculum. School children visit the House and its volunteers introduce them to an important part of the history of Brockport and the Victorian era. The Society also hosts meetings for a number of local organizations including the Quilters, Spinners, Antiques, Preservation, and History Clubs.

One way to support these great programs is by considering a purchase of a Sara's \$25.00 gift certificate *through* the WMHS. They are sold in \$25.00 increments. Each certificate sold nets the WMHS \$5.00. They expire on Dec. 31, 2018 and can be used for **plant purchases** only but that includes all annuals & perennials, trees, shrubs, hanging baskets, pond plants, poinsettias, and more!

"Thanks so much from the members of the WMHS & all of us at Sara's."

### Vegetable Plants

Tomatoes
Hot Peppers
Sweet Peppers
Onions
Squash
